**RE: Supplemental Listing of Addresses for Request to Update Responsible Official and Contact Information**

Dear Mr. Thompson:

In an August 19, 2015 letter from New Cingular Wireless PCS, LLC dba AT&T Mobility and BellSouth Telecommunications, LLC dba AT&T Tennessee<sup>1</sup> (referred to herein as "AT&T"), we submitted a request an update to the listed responsible official (RO) on certain permits. AT&T requested that the previous RO, Michele Blazek, be replaced by Jalayna Bolden as Michele Blazek's last day with AT&T was July 31, 2015. As an Assistant Secretary, Jalayna Bolden is a duly authorized representative for AT&T. AT&T did not requesting changes to any RO other than Michele Blazek.

In addition to the RO change request, AT&T also requested an update to the contact information. AT&T requested all permits listing Barbara Walden to instead list Mindy Lusk as the point of contact since Barbara Walden had recently retired. AT&T did not request changes to permits listing any contact other than Barbara Walden.

AT&T contacted the Tennessee Department of Environment & Conservation (TDEC) on October 23, 2015 requesting an acknowledgement of the August 19 letter. TDEC contacted AT&T on November 6, 2015 requesting a complete list of the permitted sites and the facility IDs. AT&T is providing a complete list of all air permits issued by TDEC, the associated facility IDs, and permit numbers. Note that some of the most recent permits already list Ms. Bolden as the RO. However, AT&T is providing the entire list for completeness.

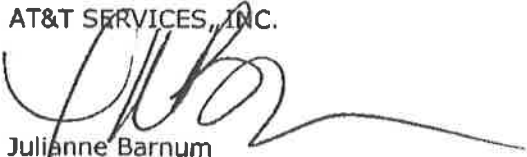

---

<sup>1</sup> Previous name was BellSouth Telecommunications, Inc. dba AT&T Tennessee; the Inc. has been changed to LLC. Several permits have New Cingular Wireless, LLC dba AT&T Mobility, which is incorrectly missing the "PCS" in the name.

AT&T appreciates your assistance with this request. If you have any questions, or need further information, please do not hesitate to contact me at (214) 748-5702.

Sincerely,

AT&T SERVICES, INC.
